## **Skeletal Remains Identified**

On March 30, 2013 at approximately 1:30 p.m., the Woodridge Police Department responded to a wooded area in the 7900 block of Lemont Road after two youths out for a walk located what appeared to be skeletal human remains.

Woodridge Police Department in cooperation with the DuPage County Coroner, the DuPage County Sheriff's Office Forensic Unit, and the Felony Investigative Assistance Team (FIAT), recovered evidence which was turned over to the DuPage County Coroner for further analysis.

The skeletal remains have been identified as Anthony Scott Arcaro who was reported missing from Lisle Illinois in 2007. At the time of disappearance Arcaro was 37 years of age. The cause of death at this time has not been determined and the Woodridge Police Department, the DuPage County Coroner's Office and the Lisle Police Department are investigating.

Anyone with information regarding this case is asked to call the Woodridge Police Department at (630) 719-4764 or via the internet at [crimetips@vil.woodridge.il.us](mailto:crimetips@vil.woodridge.il.us).
