Woodridge Community Resource Center (CRC) Recognizes 47 Volunteers

“The Woodridge CRC wouldn’t operate without its year-round volunteers”, commented Theresa Tevsh, Youth Coordinator and one of two full-time staff of the Village of Woodridge that oversee the resource center on Janes Avenue. “The Center is open Monday through Friday from 8:30 a.m. to 8:00 p.m. with various non-profits groups running assistance programs in ESL, Parenting, Computers and Counseling.”

The CRC offers an After School program, Tutoring and Summer Camp that is run by volunteers of all ages and backgrounds. Many of the volunteers are fulfilling their requirement of community service which is required of their respective schools such as College of DuPage and Downers Grove High Schools. But some volunteer just because they like to – they enjoy the kids and the CRC environment and then they come back year after year! The month of April celebrates the services of volunteers and the CRC decided to throw a party at Brunswick Bowl in Woodridge on April 22nd as a Thank You party to all its volunteers since last summer.” In almost a year’s time, the volunteers clocked just over 2000 hours!” added Maria Castellanos, CRC assistant.

Police Chief Boehm and Deputy Chief Grabarek were present to say thank you to all the volunteers and present them with a Certificate of Appreciation and a special gift which was sponsored by the Woodridge Toastmaster Club. The evening included dinner, bowling, prizes, and fun with friends.
