## **The Woodridge Police Department Joins Hundreds of Illinois Police Agencies for *Drive Sober or Get Pulled Over* Crackdown on Drunk Drivers**

**Woodridge, IL** – From August 16 through Labor Day, the Woodridge Police Department will be patrolling in full force as part of the annual Illinois “Drive Sober or Get Pulled Over” crackdown on drunk drivers. The statewide crackdown will include high-visibility alcohol and belt enforcement throughout Woodridge, and will run from August 16 through September 2, 2013.

The effective statewide crackdown will also be supported by national and state paid advertising, creating a comprehensive campaign to curb drunk driving.

The Woodridge Police Department will be aggressively looking for drunk drivers during the crackdown and will arrest anyone caught driving drunk. In addition, seat belt law violators will also be ticketed.

Although 0.08 BAC is the illegal limit in all 50 States, far too many people across the nation get behind the wheel after consuming too much alcohol. The latest statistics underscore the serious nature of the nation’s continuing drunk driving epidemic.

“Every year in Illinois, about one third of all motor vehicle traffic deaths involve one or more drunk drivers or motorcycle operators,” said Woodridge Chief of Police, Kenneth Boehm. Chief Boehm added that holidays such as Labor Day are particularly dangerous. “Research has shown that high-visibility enforcement like the ‘Drive Sober or Get Pulled Over’ campaign reduces drunk driving fatalities by as much as 20 percent. By joining this effort, we will help make Woodridge’s road safer for everyone throughout the Labor Day period,” said Chief Boehm.

“We want to remind everyone that getting behind the wheel drunk is a terrible idea. Unfortunately, not only does drinking impair your ability to operate a vehicle safely, it also impairs your judgment and good sense about whether you can, or should drive. If you have any doubt about your sobriety, do not get behind the wheel. If you do chose to drive impaired, you will be arrested. No warnings. No excuses,” Chief Boehm said.

“In addition, the Woodridge Police Department will be stepping up seat belt law enforcement, especially during the all-too-dangerous late night hours when seat belt use is lowest, continued Chief Boehm. “Zero tolerance will be shown for seat belt law violators -- in the front and back seat. Driving drunk is simply not worth the risk. So don’t take the chance. Remember, we will be out in force and we will be watching, so ‘Drive Sober or Get Pulled Over,’” said Chief Boehm.

The law enforcement crackdown is funded by federal traffic safety funds through the Illinois Department of Transportation.
