

Bid Process

Contracts and Purchases Exceeding \$20,000

Contracts for services with a value of more than \$20,000 must go through the formal public bid process with some exceptions as stated in the City Code and State Statutes. Purchasing orders or contracts for materials valued at more than \$20,000 must go through the formal public bid process. The award for these bids goes to the lowest responsive bidder unless the City Council decides it is in the best interest of the Village of Woodridge to do otherwise.

Businesses can find out about upcoming bid opportunities in several ways:

- Read about the upcoming opportunities posted on the Village website and Check the Bid Schedule section of this website to see the long-term purchasing plan for the Village of Woodridge.
- Send an email to the Village of Woodridge's Finance Department.
