## SHOP WOODRIDGE

### \$50 Gets Your Name in 9,000 Households

**Shop Local Shop Woodridge is a grassroots community-wide initiative to help support the businesses in our community.**

To help promote this campaign, we are including an insert in the Park District's November mailing. On one side of the insert will be a promotional flyer to encourage residents to shop locally.

The reverse side of the flyer is reserved for YOU!

This doesn't have to be just for businesses. It is a great opportunity for not-for-profit organizations, civic groups, and others to reach the community at large in a cost-effective way.

For just \$50, you can purchase a 1.75" x 2.67" block of space to promote or advertise your business or organization (the background grid of this flyer is representative of the space). You can purchase as many blocks as you like to create a larger space.

For example, a 3.50" x 5.33" space (four blocks) is just \$200.

A half-page (nine blocks) is just \$450.

Remember, this will be delivered to 9,000 households in Woodridge!  
Space is limited, so reserve your space today!

Deadline: October 30th
